\*Visit Fee is **After** included monthly visit(s) have been used.

<b>Important Terms:</b>	<p><b>* Monthly visits are per calendar month and they do not accumulate.</b> Any interaction that requires medical decision making can be considered "a visit". This includes direct messaging regarding <i>"new"</i> or <i>worsening symptoms</i>, a need for new referrals, refills for medications that require follow up, level of care guidance, etc.</p>
	<p><b>** Lifestyle memberships are specific to weight loss medications, peptides, and hormone therapy.</b> Individuals who have medical problems that need to be managed by the provider, such as high cholesterol or high blood pressure may be required to hold or upgrade to the Copper membership.</p>
	<p>Direct messaging is provided for your convenience. See above for messages that would count as a "visit". Consistent excessive or inappropriate use of direct messaging, as determined by the provider, result in a membership rate increase.</p>
	<p>Cancel ANYTIME. If you cancel within 3 months, your amount due is the full retail value of any services obtained during the 3 month period minus any payments made during the same 3 month period for membership dues. We can prorate any cancellations upon written request.</p>
	<p>*Gold and Executive members may gift services. For gold members the value of gifted services must be &lt;\$2,000 per rolling 12 month period. If membership cancelled within 12 months of purchasing gifted service the patient must pay the full retail value of the gifted service (minus what was already paid).</p>
<p>***Additional terms and conditions apply, benefits and pricing subject to change without notice.</p>
