Most patients who are referred to the ER (except quick call patients) will receive a partial refund, up to 50%. Because going to the ER sucks.	
PAYMENT AND DEPOSIT	
New patients must pay a \$20 appointment deposit to schedule. Office Visit Payment is due in full at check in and any remaining balance for any additional services incurred during the visit (nebulizer treatments, flu tests, medications, etc.) is due at the end of the visit.	
WHAT IS YOUR CANCELLATION POLICY?	
See our website: www.performancehealthaz.com/policies	
WHAT DOES INSURANCE COVER? CAN I USE MY HSA?	
Yes, you can use your HSA.	
Most commercial insurance plans will still cover any testing ordered by a non covered provider such as Performance Health, but you will need to check with your insurance to be certain.
